

# SHIRT SCREEN PRINTING PRICES

The chart below shows you some pricing for one to six spot color shirt printing in quantities of 1-500 shirts. We can print more colors and more shirts, but we like to give you a custom quote for anything more involved so you get the best possible price on your custom tee shirt screen printing.

Quantities higher than 250 shirts will be printed on our automatic press, which will save you even more money than the pricing below. Please contact us for the best price on more than 250 shirts.

**These prices do not include the garment. Add blank t-shirt cost (Blank t-shirt average cost = \$3.50)**

PRINTING (per side)	1-23*	24-71	72-143	144-250
